Dimensional Data (inches and [mm]) are Subject to Manufacturing Tolerances and Change Without Notice

**ENGINEERING SPECIFICATION: ZS880-CS**

All Type 304 (CF8) Fabricated Stainless Steel, #18 Gage Straight In-Line Connector for joining of multiple ZS880 Linear Shower Drains. Two piece construction consists of a lower adjustable leg that secures two linear drain bodies together in a straight line, while providing floor anchoring holes and vertical adjustment of the bodies. A top cover plate attaches rigidly to the shower drain frames and provides a smooth transitioned joint with a brushed finish.
